

A-Ha: Take On Me

We're talking away
I don't know what
I'm to say I'll say it anyway
Today's another day to find you
Shying away
I'll be coming for your love, OK?
Take on me, take me on
I'll be gone
In a day or two
So needless to say
I'm odds and ends
But that's me stumbling away
Slowly learning that life is OK.
Say after me
It's no better to be safe than sorry
Take on me, take me on
I'll be gone
In a day or two
Oh the things that you say
Is it live or
Just to play my worries away
You're all the things I've got to remember
You're shying away
I'll be coming for you anyway
Take on me, take me on
I'll be gone
In a day or two

Alicia Keys: Fallin'

I keep on fallin

In and out of love

With you

Sometimes I love ya

Sometimes ya make me blue

Sometimes I feel good

At times I feel used

Lovin you darlin

Makes me so confused

I keep on

Fallin

In and out of love with you

I never loved someone

The way that I love you

[Verse 2]

Oh, oh, I never felt this way

How do you give me so much pleasure

And cause me so much pain

Just when think

I've taken more than would a fool

I start fallin back in love with you

I keep on

Fallin

In and out of love with you

I never loved someone

The way that I love you

[Bridge]

Oh baby

I, I, I, I'm fallin

I, I, I, I'm fallin

Fall

I keep on

Fallin

In and out of love with you

I never loved someone

The way that I love you

I'm fallin

In and out of love with you

I never loved someone

The way that I love you

I'm fallin

In and out of love with you

I never loved someone

The way that I love you

What?

Ashford & Simpson: Solid

Solid, solid as a rock

That's what this love is

That's what we've got

Solid

Solid as a rock

And nothing's changed it

The thrill is still

Hot, hot, hot, hot, hot, hot

You didn't turn away

When the sky went gray

Somehow we managed

We had to stay together

You didn't bat an eye

When I made you cry

We knew down the line

We could make it better

And for love's sake

Each mistake you forgave

And soon both of us

Learn to trust

Not run away

It was no time to play

We build it up

Build it up

Build it up

And now it's solid

Solid as a rock

That's what this love is

That's what we've got

Solid, solid as a rock

And nothing's changed it

The thrill is still

Hot, hot, hot, hot, hot, hot

Gone with the wind

Another friend got in between

And tried to separate us

Knock knock on wood

You understood

Love was so new

We did what we had to

And with that feeling

We were willing to take a chance

So against all odds

We made a start

We got serious

This wouldn't turn to dust

We build it up

Build it up

Build it up

And now it's solid

Solid as a rock

That's what this love is

That's what we've got

Solid, solid as a rock

And nothing's changed it

The thrill is still

Hot, hot, hot, hot, hot, hot

Solid

Atomic Kitten: Eternal Flame

Close your eyes, give me your hand, darling
Do you feel my heart beating, do you understand
Do you feel the same, or am I only dreaming
Is this burning an Eternal Flame

I believe, it's meant to be, darling
I watch you, when you are sleeping, you belong with me
Do you feel the same, or am I only dreaming
But is this burning an Eternal Flame

Say my name, sunshines through the rain of all life, so lonley
They come and ease the pain
I don't want to lose this feeling

oooooooooh

Say my name, sunshines through the rain of all life, so lonley
Now come and ease the pain
I don't want to lose this feeling

Close your eyes, give me your hand, darling
Do you feel my heart beating, do you understand
Do you feel the same, am I only dreaming
Or is this burning an Eternal Flame

Close your eyes, give me your hand, darling
Do you feel my heart beating, do you understand
Do you feel the same, am I only dreaming
Or is this burning an Eternal Flame

Close your eyes
Give me your hand, darling
Do you feel my heart beating, do you understand
Do you feel the same, am I only dreaming
Is this burning an Eternal Flame

Avril Lavigne: Complicated

Uh Huh

Life's like this

Uh Huh

Uh Huh

That's the way it is

Cause life's like this

Uh Huh

Uh Huh

That's the way it is

Chill out

What you yellin for?

Lay back

It's all been done before

And if you could only let it be

You will see

I like you the way you are

When we're drivin in your car

And you're talkin to me one-on-one

But you become

Somebody else

Round everyone else

Watchin your back

Like you can't relax

You tryin to be cool

You look like a fool to me

Tell me

Why'd you have to go and make things so complicated?

I see the way you're actin like you're somebody else

Gets me frustrated

Life's like this you

You fall and you crawl and you break and you take what you get

And you turnin into

Honestly, you promised me
I'm never gonna find you fake it
No no no

You come over unannounced
Dressed up like you're somethin else
Where you are and where it's at you see
You're makin me
Laugh out
When you strike a pose
Take off
All your preppy clothes
You know
You're not foolin anyone
When you become

Somebody else
Round everyone else
Watchin your back
Like you can't relax
You tryin to be cool
You look like a fool to me
Tell me

Why'd you have to go and make things so complicated?
I see the way you're actin like you're somebody else
Gets me frustrated
Life's like this you
You fall and you crawl and you break and you take what you get
And you turnin into
Honestly, you promised me
I'm never gonna find you fake it
No no no
(no no no)
No no
(no no no)
No no
(no no no)

No no

Chill out

What you yellin for?

Lay back

It's all been done before

And if you could only let it be

You will see

I see the way you're actin like you're somebody else

Gets me frustrated

Life's like this you

You fall and you crawl and you break and you take what you get

And you turnin into

Honestly, you promised me

I'm never gonna find you fake it

Bill Withers: Ain't no sunshine

Ain't no sunshine when she's gone.

It's not warm when she's away.

Ain't no sunshine when she's gone
and she's always gone too long
anytime she goes away.

Wonder this time where she's gone,
wonder if she's gone to stay

Ain't no sunshine when she's gone
and this house just ain't no home
anytime she goes away.

And I know, I know, I know, I know, I know,
I know, I know, I know, I know, I know, I know,
I know, I know, I know, I know, I know, I know,
I know, I know, I know, I know, I know, I know,
I know, I know, I know

Hey, I ought to leave the young thing alone,
but ain't no sunshine when she's gone,
ain't no sunshine when she's gone,
only darkness everyday.

Ain't no sunshine when she's gone,
and this house just ain't no home
anytime she goes away.

Anytime she goes away.

Anytime she goes away.

Anytime she goes away.

Anytime she goes away.

Blondie: Heart Of Glass

Once I had a love and it was a gas
Soon turned out had a heart of glass
Seemed like the real thing, only to find much o' mistrust
Love's gone behind
Once I had a love and it was divine
Soon found out I was losing my mind
It seemed like the real thing but I was so blind
Much o' mistrust
Love's gone behind
In between what I find is pleasing and I'm feeling fine
Love is so confusing, there's no peace of mind
If I fear I'm losing you
It's just no good, you teasing like you do
Once I had a love and it was a gas
Soon turned out had a heart of glass
Seemed like the real thing, only to find much o' mistrust
Love's gone behind
Lost inside
Adorable illusion and I cannot hide
I'm the one you're using please don't push me aside
We coulda made it cruising yeah
La, La, La, La, La, La, La, La, La, La La
La, La, La, La, La, La, La, La, La, La La
Yeah, riding high on love's true bluish light
Ooh, oh
Ooh, oh
Ooh, oh
Ooh, oh
Once I had a love and it was a gas
Soon turned out to be a pain in the ass
Seemed like the real thing only to find much o' mistrust
Love's gone behind
Ooh, oh
Ooh, oh
Ooh, oh
Ooh, oh

Bob Marley: No woman no cry

No woman no cry.

No woman no cry.

No woman no cry.

No woman no cry.

Say I remember when we used to sit
in the government yard in Trenchtown.

Observing all the hypocrites
as they'd mingle with the good people we met.

Good friends we had and good friends we lost
along the way.

In this bright future you can forget your past.

So dry your tears I say.

No woman no cry.

No woman no cry.

Hey little darling don't shed no tears

No woman no cry.

I remember when we used to sit
in the government yard in Trenchtown.
And then Georgie would make a fire light
as it was love wood burning through the night.

And we would cook wholemeal porridge
of which I'd share with you.

My feet is my only carriage so I've got to push on through.

But while I'm gone (I mean it)

ev'rything's gonna be allright (8x)

No woman no cry.

No woman no cry.

Oh my little sister don't shed no tears.

No woman no cry.

Buggles: Video killed the radio star

I heard you on the wireless back in Fifty Two
Lying awake intent at tuning in on you.
If I was young it didn't stop you coming through.

Oh-a oh

They took the credit for your second symphony.
Rewritten by machine and new technology,
and now I understand the problems you can see.
Oh-a oh

I met your children
Oh-a oh

What did you tell them?
Video killed the radio star.
Video killed the radio star.

Pictures came and broke your heart.
Oh-a-a-a oh

And now we meet in an abandoned studio.
We hear the playback and it seems so long ago.
And you remember the jingles used to go.
Oh-a oh

You were the first one.
Oh-a oh

You were the last one.

Video killed the radio star.
Video killed the radio star.
In my mind and in my car, we can't rewind we've gone to far
Oh-a-aho oh,
Oh-a-aho oh

Video killed the radio star.

Video killed the radio star.

In my mind and in my car, we can't rewind we've gone to far.

Pictures came and broke your heart, look I'll play my VCR.

You are a radio star.

You are a radio star.

Video killed the radio star.

Video killed the radio star.

Video killed the radio star.

Video killed the radio star.

repeat

Video killed the radio star. (You are a radio star.)

Culture Club: Do you really want to hurt me

Give me time
To realise my crime
Let me love and steal
I have danced inside your eyes
How can I be real

Do you really want to hurt me
Do you really want to make me cry
Precious kisses
Words that burn me
Lovers never ask you why
In my heart the fires burning
Choose my colour
Find a star
Precious people always tell me
That's a step
A step too far

Do you really want to hurt me
Do you really want to make me cry
Do you really want to hurt me
Do you really want to make me cry

Words are few
I have spoken
I could waste a thousand years
Wrapped in sorrow
Words are taken
Come inside and catch my tears
You've been talking but believe me
If its true
You do not know
This boy loves without a reason
I'm prepared to let you go

If it's love you want from me
Then take it away

Everything is not what you see

It's over today

Do you really want to hurt me

Do you really want to make me cry

Do you really want to hurt me

Do you really want to make me cry

Cyndi Lauper: Girls just wanna have fun

I come home in the morning light
my mother says when you gonna live your life right
oh mother dear we're not the fortunate ones
and girls they wanna have fun
oh girls just wanna have fun

the phone rings in the middle of the night
my father yells what you gonna do with your life
oh daddy dear you know you're still number one
but girls they wanna have fun
oh girls just wanna have--

that's all they really want
some fun
when the working day is done
girls-- they wanna have fun
oh girls just wanna have fun

some boys take a beautiful girl
and hide her away from the rest of the world
I wanna be the one to walk in the sun
oh girls they wanna have fun
oh girls just wanna have

that's all they really want
some fun
when the working day is done
girls--they wanna have fun
oh girls just wanna have fun,
they wanna have fun,
they wanna have fun...

David Lee Roth: Just a gigolo

I'm just a gigolo
And everywhere I go
People know the part I'm playin'
Pay for every dance
Selling each romance
Ooh, what they sayin'

There will come a day
When youth will pass away
What will they say about me
When the end comes I know
That I'm just a gigolo
Life goes on without me

I'm just a gigolo and everywhere I go
People know the part Dave's playin'
Pay for every dance
Selling each romance
Ooh, what they sayin'

But there will come a day
When youth will pass away
What will they say about me
When the end comes I know
That I'm just a gigolo
Life goes on without me

'Cause I ain't got nobody
Nobody cares about me
Nobody, nobody cares for me

I'm so sad and lonely
Sad and lonely, sad and lonely
Won't some sweet Mama
Come and take a chance
with me
Coz I ain't so bad

You're going to dance

You're going to dance

You're going to dance

And have some fun

Dig

The chills that you spill up my back

keep me filled with satisfaction when we're done

satisfaction of what's to come

I couldn't ask for another

No, I couldn't ask for another

Another try

Your groove, I do deeply dig

No walls, only the bridge, my supperdish

My succotash wish

Singing, baby

I couldn't ask for another

No, I couldn't ask for another

Groove is in the heart, Groove is in the heart

Groove is in the heart, Groove is in the heart

Watch out!

The depth of hula groove

Move us to the nth hoop

We're going thru to, Horten hears a who

Dido: Thank You

My tea's gone cold, I wondering why I
Got out of bed at all
The morning rain clouds up my window
And I can't see at all
And even if I could it'd all be grey,
But your picture on my wall
It reminds me that it's not so bad,
It's not so bad

I drank too much last night, got bills to pay,
My head just feels in pain
I missed the bus and there'll be hell today,
I'm late for work again
And even if I'm there, they'll all imply
That I might not last the day
And then you call me and it's not so bad,
It's not so bad

And I want to thank you
for giving me the best day of my life
Oh just to be with you
is having the best day of my life

Push the door, I'm home at last
And I'm soaking through and through
Then you handed me a towel
And all I see is you
And even if my house falls down now,
I wouldn't have a clue
Because you're near me

And I want to thank you
For giving me the best day of my life
And Oh just to be with you
Is having the best day of my life.

Dido: White flag

I know you think that I shouldn't still love you
I'll tell you that
But if I didn't say it
Well, I'd still have felt it
Where's the sense in that
I promise I'm not trying to make your life harder
Or return to where we were

Well I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be

I know I left too much mess
And destruction to come back again
And I caused but nothing but trouble
I understand if you can't talk to me again
And if you live by the rules of "It's over"
Then I'm sure that that makes sense

Well I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be

And when we meet
As I'm sure we will
All that was then
Will be there still
I'll let it pass
And hold my tongue
And you will think
That I've moved on

Well I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door

I'm in love and always will be

Well I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and always will be

I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and always will be

Die Fantastischen Vier: Sie ist weg

Hey, heute ist wieder einer der verdammten Tage
die ich kaum ertrage und mich ständig selber frage
warum mich all diese Gefühle plagen die ich nicht kannte
oder nur vom Hörensagen denn bißher rannte - ich
durch meine Welt und war der König
doch alles was mir gefällt ist mir jetzt zuwenig
alles was mich kick-te von dem ich nie genug krieg-te
laß ich lieber sein, denn ich fühl mich allein

Du fühlst dich nicht nur allein, Mann du bist es
d´rum laß das Gejammer sein denn so ist es
nun mal auf dieser Welt, auch wenn´s dir nicht gefällt
schaust du deinen eigenen Film und bist dein eigener Held

Ja, Mann, irgendwie hast du ja recht
und trotzdem gehts mir schlecht
echt beschissen, denn ich möchte mal wissen
welcher Film auf dieser Welt einen Oscar erhält
in dem die weibliche Hauptrolle fehlt
denn

SIE IST WEG - WEG - und ich bin wieder allein , allein
SIE IST WEG - WEG - davor war´s schöner allein zu sein
jetzt ist sie WEG - WEG - und ich bin wieder allein, allein
SIE IST WEG - WEG

Ich hoff es, ich hab, was ist daran schlimm
das ich jetzt nich mehr der Man für Sie bin
Da sitz ich und kack mich zu und beginn
zu denken das ich keine andere mehr find

Die eine ist weg, NA UND
war Sie für dich nicht nur Mittel zum Zweck
und Grund sich hinter Ihr zu verstecken
and´re abzuchecken war tabu, und jetzt kommst du

1-2

2-2

HMMM

Wie gesagt, das ist krass, das ich dachte ich verpass

was wenn ich die Finger von den andern lass
was ich machte denn ich dachte diesen Spaß gibst du dir
wenn du die eine nicht mehr hast und jetzt WAS ??
Jetzt ist sie - weg - und ich versteck mich kläglich
hab keine Lust auf einmal, so leck mich

REF SO´N DRECK

Jetzt weinst du, ach das tut mir aber leid
ha ha ha
Ich erinnere mich, wir waren beide verdammt cool
doch innerlich raffte ich Spinner ich Null
denn wenn immer ich dachte ich tuh´ alles für Sie
war was immer ich machte für mich irgendwie
mit dieser Philosophie fuhr ich einwandfrei,
sorgenfrei - an Ihr vorbei
schätze bin´n bißchen hochgeflogen, ungelogen
und hab´Sie dabei mit mir selbst betrogen
Kluge Worte, was - hinterher weiß man immer mehr
doch so sehr ich mich auch dagegen wehr
bleibt es schwer aber wahr, ich bin leer
denn Sie ist nicht da, klar

Ja, Ja wunderbar, tolle Rede, Mann
hört ich dich nicht mal sagen Dich läßt jede ran??
und jetzt schau dich an, wo bist Du hingekommen

Dieter Thomas Kuhn: Und es war Sommer

Es war ein schöner Tag, der letzte im August.
Die Sonne brannte so, als hätte sie's gewußt.
Die Luft war flirrend heiß, und um allein zu sein,
sagte ich den andern, ich hab heut keine Zeit.

Da traf ich sie, und sah in ihre Augen,
und irgendwie, hatt' ich das Gefühl,
als winkte sie mir zu und schien zu sagen:
"Komm setzt dich zu mir!"

Ich war 16 und sie 31
und über Liebe wußte ich nicht viel.
Sie wußte alles, und sie ließ mich spüren,
ich war kein Kind mehr,
und es war Sommer.

Sie gab sich so, als sei ich überhaupt nicht da,
und um die Schultern trug sie nur ihr langes Haar.
Ich war verlegen und ich wußte nicht wohin,
mit meinem Blick, der wie gefesselt an ihr hing.

"Ich kann verstehen" hörte ich sie sagen,
"Nur weil du jung bist, tust du nicht was du fühlst.
Komm bleib' bei mir bis die Sonne rot wird,
dann wirst du sehen."

Wir gingen beide hinunter an den Strand,
und der Junge nahm schüchtern ihre Hand.
Doch als ein Mann sah ich die Sonne aufgehn.
Und es war Sommer. Und es war Sommer.

Es war Sommer, das erste Mal im Leben.
Es war Sommer, das allererste Mal.
Doch als ein Mann sah ich die Sonne aufgehn.
Und es war Sommer. Es war Frau Sommer.

Die Toten Hosen: Steh auf, wenn du am Boden bist

Wenn du
mit dir am Ende bist
und du
einfach nicht weiter willst
weil du
dich nur noch fragst: warum und wozu ?
Und was dein Leben noch bringen soll.
Halt durch
auch wenn du allein bist
halt durch
schmeiß jetzt nicht alles hin
halt durch
und irgendwann wirst du verstehn,
dass es jedem einmal so ging.
Und wenn ein Sturm dich in die Knie zwingt,
halt dein Gesicht einfach gegen den Wind
egal wie dunkel die Wolken über dir sind,
sie werden irgendwann vorüberziehen

Steh' auf, wenn du am Boden bist
Steh' auf, auch wenn du unten liegst
Steh' auf, es wird schon irgendwie weiter gehn !

Es ist schwer,
seinen Weg nicht nicht zu verlier'n
und bei den Regeln und Gesetzen hier
ohne Verrat ein Leben zu führ'n,
das man selber noch respektiert.
Auch wenn die Zeichen grade alle gegen dich steh'n,
und niemand auf dich wetten will,
du brauchst hier keinem irgendeinen Beweis zu bringen,
es sei denn, es ist für dich selbst !

Steh' auf, wenn du am Boden bist
Steh' auf, auch wenn du unten liegst
Steh' auf, es wird schon irgendwie weiter gehn !

Nur keine Panik,
so schlimm wird es nicht
mehr als einen Kopf reißt man dir nicht weg,
komm' und sieh' nach vorn !

Steh' auf, wenn du am Boden bist
Steh' auf, auch wenn du unten liegst
Steh' auf es wird weiter gehn !

Steh' auf, wenn du am Boden bist
Steh' auf, auch wenn du unten liegst
Steh' auf, es wird schon irgendwie weiter gehn !

Duran Duran: Hungry like the wolf

Darken the city, night is a wire
Steam in the subway, earth is a fire
Do do do do do do do dodo dododo dodo
Woman, you want me, give me a sign
And catch my breathing even closer behind
Do do do do do do do dodo dododo dodo

In touch with the ground
I'm on the hunt I'm after you
Smell like I sound, I'm lost in a crowd
And I'm hungry like the wolf
Straddle the line in discord and rhyme
I'm on the hunt I'm after you
Mouth is alive with juices like wine
And I'm hungry like the wolf

Stalked in the forest, too close to hide
I'll be upon you by the moonlight side
Do do do do do do do dodo dododo dodo
High blood drumming on your skin, it's so tight
You feel my heart, I'm just a moment behind
Do do do do do do do dodo dododo dodo

In touch with the ground
I'm on the hunt I'm after you
Scent and a sound, I'm lost and I'm found
And I'm hungry like the wolf
Strut on a line, it's discord and rhyme
I howl and I whine, I'm after you
Mouth is alive, all running inside
And I'm hungry like the wolf

Hungry like the wolf
Hungry like the wolf
Hungry like the wolf

Burning the ground, I break from the crowd

I'm on the hunt, I'm after you
I smell like I sound, I'm lost and I'm found
And I'm hungry like the wolf
Strut on a line, it's discord and rhyme
I'm on the hunt, I'm after you
Mouth is alive with juices like wine
And I'm hungry like the wolf

Elton John & Kiki Dee: Don't go breaking my heart

Don't go breaking my heart
I couldn't if I tried
oh honey if I get restless
baby you're not that kind

Don't go breaking my heart
you take the weight off of me
oh honey when you knock on me
ooh I gave you my key

Ooh ooh nobody knows it
when I was down I was your clown
ooh ooh nobody knows it nobody knows
but right from the start I gave you my heart
oh oh I gave you my heart

So don't go breaking my heart
I won't go breaking your heart
don't go breaking my heart

Nobody told us
'cause nobody showed us
now it's up to us babe
oh I think we can make it

So don't misunderstand me
you put the light in my life
oh you put the spark to the flame
I got your heart in my sighs

Ooh nobody knows it
when I was down I was your clown
ooh ooh nobody knows it nobody knows
right from the start I gave you my heart
oh I gave you my heart

Don't go breaking my heart
I won't go breaking your heart
don't go breaking my heart

Ooh ooh nobody knows it
when I was down I was your clown
right from the start I gave you my heart
oh I gave you my heart

Don't go breaking my heart
I won't go breaking your heart

(Don't go breaking my)
(don't go breaking my)
don't go breaking my heart
(don't go breaking my)
(don't go breaking my)
I won't go breaking your heart

Don't go breaking my heart
(don't go breaking my)
I won't go breaking your heart
don't go breaking my heart
(don't go breaking my)
I won't go breaking your heart

Don't go breaking my heart
(don't go breaking my)
I won't go breaking your heart
don't go breaking my heart
(don't go breaking my)
I won't go breaking your heart

Don't go breaking my heart
(don't breaking my)
I won't go breaking your heart

Elvis: Suspicious Minds

We're caught in a trap
I can't walk out
Because I love you too much baby
Why can't you see
What you're doing to me
When you don't believe a word I say?
We can't go on together
With suspicious minds
And we can't build our dreams
On suspicious minds
So, if an old friend I know
Drops by to say hello
Would I still see suspicion in your eyes?
Here we go again
Asking where I've been
You can't see these tears are real
I'm crying
We can't go on together
With suspicious minds
And we can't build our dreams
On suspicious minds
Oh let our love survive
Or dry the tears from your eyes
Let's don't let a good thing die
When honey, you know
I've never lied to you
Mmm yeah, yeah

Elvis: Way down

Babe, you're getting closer
The lights are goin' dim
The sound of your breathin'
Has made the mood I'm in
All of my resistance
Is lying on the floor
Taking me to places
I've never been before

Ooh, and I can feel it,
Feel it, feel it, feel it

Way down where the music plays
Way down like a tidal wave
Way down where the fires blaze
Way down, down, way, way on down

Ooh, my head is spinnin'
You got me in your spell,
A hundred magic fingers
On a whirling carousel
The medicine within me

No doctor could prescribe
Your love is doing something
That I just can't describe

Ooh, and I can feel it,
Feel it, feel it, feel it

Way down where the music plays
Way down like a tidal wave
Way down where the fires blaze
Way down, down, way, way on down

Hold me again,
Tight as you can
I need you so,
Baby, let's go

Way down where it feels so good
Way down where I hoped it would
Way down where I never could
Way down, down, way, way on down

Falco: Rock me Amadeus

Ooo rock me Amadeus

Rock me Amadeus

Rock rock rock rock me Amadeus

(Repeat 17 times): Amadeus

Ay ay

Rock me all the time to the top

Er war ein Punker

Und er lebte in der großen Stadt

Es war Wien, war Vienna

Wo er alles tat

Er hatte Schulden denn er trank

Doch ihn liebten alle Frauen

Und jede rief:

Come on and rock me Amadeus

(Chorus)

Er war Superstar

Er war populär

Er war so exaltiert

Because er hatte Flair

Er war ein Virtuose

War ein Rockidol

Und alles rief:

Come on and rock me Amadeus

(Repeatr 8 times): Amadeus

Oh oh oh Amadeus

Come on and rock me Amadeus

(Repeat 8 times): Amadeus

Oh oh oh Amadeus (hey)

Es war um 1780

Und es war in Wien

No plastic money anymore

Die Banken gegen ihn

Woher die Schulden kamen

War wohl jedermann bekannt

Er war ein Mann der Frauen

Frauen liebten seinen Punk

repeat chorus

Come and rock me Amadeus

(Repeat 19 times); oh

(Repeat 4 times): Rock me Amadeus

(Repeat 11 times): ay

Baby baby do it to me rock me

Baby baby do it to me rock me

Baby baby do it to me rock me

Ja ja ja

Baby baby do it to me rock me

Baby baby do it to me rock me

Baby baby do it to me rock me

George Michael: Careless Whisper

Time can never mend the careless whispers of a good friend
To the heart and mind, ignorance is kind
There's no comfort in the truth
Pain is all you'll find

Should've known better

I feel so unsure
As I take your hand and lead you to the dance floor
As the music dies, something in your eyes
Calls to mind the silver screen
And all its sad good-byes
I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know your not a fool

Should've known better than to cheat a friend
And waste the chance that i've been given
So I'm never gonna dance again
The way I danced with you

Time can never mend
The careless whispers of a good friend
To the heart and mind
Ignorance is kind
There's no comfort in the truth
Pain is all you'll find

I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know your not a fool

Should've known better than to cheat a friend
And waste this chance that i've been given
So I'm never gonna dance again

The way I danced with you

Never without your love

Tonight the music seems so loud
I wish that we could lose this crowd
Maybe it's better this way
We'd hurt each other with the things we'd want to say

We could have been so good together
We could have lived this dance forever
But noone's gonna dance with me
Please stay

And I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know your not a fool

Should've known better than to cheat a friend
And waste the chance that i've been given
So I'm never gonna dance again
The way I danced with you

(Now that you're gone) Now that you're gone

George Michael: Faith

Well, I guess it would be nice
If I could touch your body
I know not everybody
Has got a body like you

But I've got to think twice
Before I give my heart away
And I know all the games you play
Because I played them too

Oh, but I need some time off from that emotion
Time to pick my heart up off the floor
Oh, when that love comes down without devotion
Well, it takes a strong man, baby, but I'm showing you the door

Because I've got to have faith
I've got to have faith
Because I've got to have faith, faith, faith
I've got to have faith, faith, faith

Baby, I know you're asking me to stay
Stay please please please don't go away
You say I'm giving you the blues
Maybe you mean every word you say
Can't help but think of yesterday
And another who tied me down to loverboy rules

Before this river becomes an ocean
Before you throw my heart back on the floor
Oh baby, I reconsider my foolish notion
Well, I need someone to hold me, but I'll wait for something more

Yes, I've got to have faith
I've got to have faith
Because I've got to have faith, faith, faith
I've got to have faith, faith, faith

Good Charlotte: Girls And Boys

Educated with money
He's well dressed, not funny
And not much to say in most conversations
But he'll foot the bill in all situations
Cause he pays for everything

Chorus

Girls don't like Boys
Girls like cars and money
Boys will laugh at Girls
when they're not funny

Paper or Plastic,
don't matter
She'll have it
Vacations and shopping sprees
these are a few of her favourite things
She'll get what she wants
and she's willing to please
His type of girl always comes with a fee
Hey now, there's nothing for free

Chorus (2x)

Girls don't like Boys
Girls like cars and money
Boys will laugh at Girls when they're not funny
And these Girls like these Boys
like these Boys like these Girls
The Girls with the body's like Boys with Ferraris
Girls don't like Boys
Girls like cars and money

All of these Boys yeah and all of these Girls, are losing their souls in a material world

Jamiroquai: Cosmic girl

I must've died and gone
to heaven
Cos it was a quarter
past eleven
On a Saturday in 1999
Right across from where
I'm standing
On the dance floor she
was landing
It was clear that she
was from another time
Like some baby Barbarella
With the stars as her umbrella
She asked me if I'd
like to magnetise
Do I have to go star-trekking
Cos it's you I should
be checking
So she lazer beamed me
with her cosmic eyes

(Refrain)

She's just a cosmic girl
From another galaxy
My heart's at zero gravity
She's from a cosmic world
Putting me in ecstasy
Transmitting on my frequency
She's cosmic

I'm scanning all my radars
Well she said she's
from a quasar
Forty thousand million
light years away
It's a distance solar systems
I tried to phone but
they don't list 'em
So I asked her for a
number all the same
She said,step in
my transporter
So I can teleport ya
All around my heavily body
This could be a
close encounter
I should take care
not to flounder
Sends me in a hyperspace
when I see her pretty face

(Ref. 8x)

She's just a cosmic girl
From another galaxy
Transmitting on my frequency
yeah cosmic,oh
Can't you be my cosmic woman?
I need you,I´want you
be my cosmic girl
for the rest of time

Jamiroquai: Deeper Underground

[starts off with these radioactive, dark, spooky sounds]

Klaus Lage: 1000 und 1 Nacht

Du wolltest Dir bloß den Abend vertreiben
Und nicht grad allein geh'n und riefst bei mir an
Wir waren nur Freunde und wollten's auch bleiben
Ich dacht' nicht im Traum, dass was passieren kann
Ich weiß nicht wie ewig wir zwei uns schon kennen
Deine Eltern sind mit meinen damals Kegeln gefahr'n
Wir blieben zu Haus, Du schiefst ein vor'm Fernseh'n
Wir war'n wie Geschwister in all den Jahr'n

Tausend Mal berührt, tausend Mal ist nichts passiert
Tausend und eine Nacht und es hat Zoom gemacht

Erinnerst Du Dich, wir ha'm Indianer gespielt
Und uns an Fasching in die Büsche versteckt
Was war eigentlich los, wir ha'm nie was gefühlt
So eng nebeneinander und doch gar nichts gecheckt
War alles ganz logisch, wir kennen uns zu lange
Als dass aus uns noch mal irgendwas wird
Ich wusst' wie Dein Haar riecht und die silberne Spange
Hatt' Dich doch schon tausend Mal beim Tanzen berührt

Tausend Mal berührt, tausend Mal ist nichts passiert
Tausend und eine Nacht und es hat Zoom gemacht

Wie viele Nächte wusst' ich nicht was gefehlt hat
Wär nie drauf gekommen, denn das warst ja Du
Und wenn ich Dir oft von meinen Problemen erzählt hab
Hätt' ich nie geahnt Du warst der Schlüssel dazu
Doch so aufgewühlt hab ich Dich nie gesehen
Du liegst neben mir und ich schäm mich fast dabei
Was war bloß passiert wir wollten Tanzen geh'n
Alles war so vertraut und jetzt ist alles neu
Jetzt ist alles neu

Tausend Mal berührt, tausend Mal ist nichts passiert
Tausend und eine Nacht und es hat Zoom gemacht

Kylie Minogue: I should be so lucky

In my imagination

There is no complication

I dream about you all the time

In my mind a celebration

The sweetest of sensation

Thinking you could be mine

In my imagination

There is no hesitation

We walk together hand in hand

It's a crazy situation

You always keep me waiting

Because it's only make-believe

And I would come a-running

To give you all my loving

If one day you would notice me

My heart is close to breaking

And I can't go on faking

The fantasy that you'll be mine

I'm dreaming that you're in love with me

Like I'm in love with you

But dreaming's all I do

If only they'd come true

I'm dreaming ...

I should be ...

I should be so lucky lucky lucky lucky

I should be so lucky in love

I should be so lucky lucky lucky lucky

I should be so lucky in love

In my imagination there is no hesitation

We walk together hand in hand

I'm dreaming ...

I should be ...

Laith Al-Deen: Bilder von Dir

Bilder von dir überdauern – bis in alle Zeit
Bilder von dir überdauern – bis in die Ewigkeit

Chorus:

Bilder von dir überdauern – bis in alle Zeit
Bis in alle Zeit, bis in alle Zeit
Bilder von dir überdauern – bis in die Ewigkeit
In die Ewigkeit, in die Ewigkeit.

Meine Worte hüllt in Schweigen,
so können sie nicht flieh'n.
Das was dunkel macht das bleibt
Und lässt das andre zieh'n.
Ich kann nicht sagen und will nicht vergessen
Oh nein, nein, nein
Wie ich es seh', wie ich es seh'.
Worte sind wie Pulver,
wenn du den Himmel kennst
Ich fühl's in meinem Kopf,

fühl's überall hab's lang vermisst
Ich kann nicht sagen, will nicht vergessen
Oh nein, nein, nein
Wie ich es fühl, wie ich es fühl.

Repeat Chorus 2x

Tausend Spuren und Gedanken,
nicht das kleinste Stück von mir
du lässt mich taumeln, lässt mich wanken,
die Luft ist voll von dir.
Ich kann nicht sagen, will nicht vergessen
Oh nein, nein, nein
Wie ich es fühl, wie ich es fühl.
Wie ich es fühl, wie ich es fühl.
Wie ich es fühl, wie ich es fühl.
Ich kann nicht sagen, will nicht vergessen
Oh nein, nein, nein
Wie ich es fühl, wie ich es fühl.

Lightning Seeds: Three Lions

We still believe

We still believe

We still believe

It's coming home

It's coming home

It's coming

Football's coming home

Tears for heroes dressed in grey

No plans for final day

Stay in bed

Drift away

It could have been all

Songs in the street

It was nearly complete

It was nearly so sweet

And now I'm singing

Three lions on a shirt

Jules Rimet still gleaming

No more years of hurt

No more need for dreaming

Talk about football coming home

And then one night in Rome

We were strong

We had grown

And now I see

Ince ready for war

Gazza good as before

Shearer certain to score

And Psycho screaming

Three lions on a shirt

Jules Rimet still gleaming

No more years of hurt

No more need for dreaming

We can dance Nobby's dance

We could dance it in France

It's coming home

It's coming home

Football's coming home.....

Madonna: Like A Virgin

I made it through the wilderness
Somehow I made it through
Didn't know how lost I was
Until I found you

I was beat incomplete
I'd been had, I was sad and blue
But you made me feel
Yeah, you made me feel
Shiny and new

Chor:

Like a virgin
Touched for the very first time
Like a virgin
when your heart beats (after first time, "with your heartbeat")
Next to mine

Gonna give you you all my love, boy
My fear is fading fast
Been saving it all for you
'Cause only love can last

You're so fine and you're mine
Make me strong, yeah you make me bold
Oh your love thawed out
Yeah, your love thawed out
What was scared and cold

(chorus)

Ooh, ooh, ooh

You're so fine and you're mine
I'll be yours 'til the end of time
'Cause you made me feel

Yeah, you made me feel
I've nothing to hide

(chorus)

Like a virgin, ooh, ooh
Like a virgin
Feels so good inside
When you hold me, and your heart beats, and you love me

Oh, oh, oh, oh, oh, oh, oh, oh, oh
Ooh, baby
Can't you hear my heart beat, for the very first time?

Maroon 5: This love

I was so high I did not recognize
The fire burning in her eyes
The chaos that controlled my mind
Whispered goodbye and she got on a plane
Never to return again
But always in my heart

CHORUS

This love has taken its toll on me
She said Goodbye too many times before
her heart is breaking in front of me
I have no choice cause I won't say goodbye anymore

I tried my best to feed her appetite
Keep her coming every night
So hard to keep her satisfied
Kept playing love like it was just a game
Pretending to feel the same
Then turn around and leave again

CHORUS

This love has taken its toll on me
She said Goodbye to many times before
her heart is breaking in front of me
I have no choice cause I won't say goodbye anymore

I'll fix these broken things
Repair your broken wings
And make sure everything's alright
My pressure on your hips
Sinking my fingertips
Into every inch of you
Cause I know that's what you want me to do

CHORUS 2mal

Motorhead: Ace Of Spades

If you like to gamble, I tell you I'm your man
you win some, lose some, it's all the same to me
The pleasure is to play, it makes no difference what you say
I don't share your greed, the only card I need is
the Ace of Spades
the Ace of Spades
Playin' for the high one, dancin' with the devil
going with the flow, it's all a game to me
7 or 11, snake eyes watching you
Double up or quit, double stake or split
the Ace of Spades
the Ace of Spades
You know I'm born to lose
and gamblin's made for fools
But that's the way I like it baby
I don't want to live forever
and don't forget the joker
Pushing up the ante, I know you got to see me
read 'em and weep, the dead man's hand again
I see it in your eyes, take one look and die
The only thing you see, you know it's gonna be
the Ace of Spades
the Ace of Spades

New Model Army: 51st State

1. Look out of your windows, watch the skies
Read all the instructions with bright blue eyes
We're W.I.S.P.'s, yeah, proud American sons
We know how to clean our teeth and how to strip down a gun

Ref:

We're the ... 51st state of America
This is the ... 51st state of America
We're the ... 51st state of America

2. Our star spangled Union Jack flutters so proud
Over the dancing heads of the merry patriotic crowd
Yeah, tip your hat to the yankee conqueror
We've got no reds under the bed, but guns under our pillows

Woohohohohoo...
Woohohohohoo...

3. Here in the land of opportunities (ha!)
Watch us revel in our liberty
Well, you can say what you like, but it doesn't change anything
'Cause the corridors of power, they are an - ocean away

Woohohohohoo...
Woohohohohoo...
Woohohohohoo...

No Angels: Someday

Someday, Someday,
Someday, Someday

I believe we've come to where there's no
turning back

It's a one-way-street
And it seems like we're trapped
In a way I know that things have been going on
for too long
It's become too much
It's so hard to go on

Bridge

But I'm not the one
Who walks away that easily
I tried to believe in love
Tried so hard to be in love

Chorus

Someday,
In another time and place
With a brighter stronger flame
we'll make it right
And Some way,
There can be a miracle
Our love can still be magical
I know that we can make it right

I used to think that you have been send from
above

We were meant to be
Forever you and me

Day by day went by
And somewhere we went wrong
And our devotions been gone
From that moment on

Bridge

But I'm not the one
Who walks away that easily
I tried to believe in love
Tried so hard to be in love

Chorus

Someday,
In another time and place
With a brighter stronger flame
we'll make it right
And Some way,
There can be a miracle
Our love can still be magical
I know that we can make it right

Still inside my heart and mind
I truly think that love is blind

I know there can be miracles
Our love could still be magical
I know that we can make it right

Someday, Someday
Someday, Someday

Chorus 2x

Patrick Nuo: 5 Days

5 Days

It was love at first sight on the second of July
Met her on the third floor- four times in one night
It was a little bit of magic and the time stood still
She took me another side she got the key to my will
Tell me how could such a good thing only last

Refrain(1x): 1-2-3-4-

5 Days

Once in a lifetime
5 Nights
Too good to be true
The universe is passing by
But I can't forget our
1-2-3-4-

5 Days- sunshine –one way trip
Where she touched my soul when I touched her lips
She said: "Boy took me to, wherever you go
Destination anywhere" but destiny said no
Tell me how could such a good thing only last.....

Refrain (2x):

5 Days,.....can't you hear me
5 Nights,.....where you are
5 Days,.....can't you feel me?
5 Days,.....You're still my love
It was so great when we were together baby
So great when we were together
It was so great when our days where endless baby
So great when we were together
Tell me how could our forever only last.....

Refrain (2x):

5 Days,.....can't you hear me
5 Nights,.....where you are

5 Days,.....can't you feel me?

5 Days,.....You're still my love

It was so great when we were together baby

So great when we were together

It was so great when our days where endless baby

So great when we were together

Peter Schilling: Major Tom

Gründlich durchgecheckt steht sie da
und wartet auf den start - alles klar
Experten streiten sich um ein paar Daten
die Crew hat dann noch ein paar Fragen
doch - der Countdown läuft

Effektivität bestimmt das Handeln
man verläßt sich blind auf den andern
Jeder weiß genau was von ihm abhängt
jeder ist im Streß
doch Major Tom - macht einen Scherz
Dann hebt er ab und

Völlig losgelöst von der Erde
schwebt das Raumschiff - völlig schwerelos

Die Erdanziehungskraft ist überwunden
alles läuft perfekt schon seit Stunden
Wissenschaftliche Experimente -
doch was nützen die am Ende
denkt sich Major Tom

Im Kontrollzentrum da wird man panisch
der Kurs der Kapsel der
stimmt ja gar nicht
Hallo Major Tom
können sie hören?

Woll'n sie das Projekt denn so zerstören?
Doch - er kann nichts hören
Er schwebt weiter

Völlig losgelöst von der Erde
schwebt das Raumschiff - völlig schwerelos

Die Erde schimmert blau
sein letzter Funk kommt:
"Grüßt mir meine Frau"
und er verstummt

Unten trauern noch die Egoisten
Major Tom denkt sich: Wenn die wüßten
Mich führt hier ein Licht durch das All
das kennt ihr noch nicht
ich komme bald - mir wird kalt

Völlig losgelöst von der Erde
schwebt das Raumschiff - schwerelos

Völlig losgelöst von der Erde
schwebt das Raumschiff - schwerelos

Völlig losgelöst von der Erde
schwebt das Raumschiff - völlig schwerelos

Pink: Just like a pill

Lying here on the floor where you left me
I think I took too much
I'm crying here, what have you done?
I thought it would be fun

I can't stay on your life support
There's a shortage in the switch
I can't stay on your morphine
'Cause it's making me itch
I said I tried to call the nurse again
But she's being a little bitch
I'll think I'll get out of here

Where I can run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears

And I swear you're just like a pill
Instead of making me better
You keep making me ill
You keep making me ill

I haven't moved from the spot where you left me
It must be a bad trip
All of the other pills were different
Maybe I should get some help

I can't stay on your life support
There's a shortage in the switch
I can't stay on your morphine
'Cause it's making me itch
I said I tried to call the nurse again
But she's being a little bitch
I'll think I'll get out of here

Where I can run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears

And I swear you're just like a pill
Instead of making me better
You keep making me ill
You keep making me ill

Rick Astley: Never Gonna Give You Up

Never Gonna Give You Up

We're no strangers to love

You know the rules and so do I

A full commitment's what I'm thinking of

You wouldn't get this from any other guy

I just wanna tell you how I'm feeling

Gotta make you understand

CHORUS:

Never gonna give you up, never gonna let you down

Never gonna run around and desert you

Never gonna make you cry, never gonna say goodbye

Never gonna tell a lie and hurt you

We've known each other for so long

Your heart's been aching but you're too shy to say it

Inside we both know what's been going on

We know the game and we're gonna play it

And if you ask me how I'm feeling

Don't tell me you're too blind to see

CHORUS

CHORUS

(Ooh give you up)

(Ooh give you up)

(Ooh) never gonna give, never gonna give (give you up)

(Ooh) never gonna give, never gonna give (give you up)

We've known each other for so long

Your heart's been aching but you're too shy to say it

Inside we both know what's been going on

We know the game and we're gonna play it

I just wanna tell you how I'm feeling

Gotta make you understand

CHORUS

Ricky Martin: Livin' La Vida Loca

She's into superstition
black cats and voodoo dolls
I feel a premonition
that girl's gonna make me fall
She's into new sensation
new kicks and candle light
she's got a new addiction
for every day and night
She'll make you take your clothes off
and go dancing in the rain
she'll make you live the crazy life
or she'll take away your pain
like a bullet to your brain
upside inside out
she's living la Vida loca
she'll push and pull you down
she's living la Vida loca
her lips are devil red
and her skins the color mocha
she will wear you out
she's living la Vida loca
living la vida loca
woke up in New York City
in a funky cheap motel
she took my heart and she took my money
she must of slipped me a sleeping pill
she never drinks the water
makes you order French Champaign

and once you had a taste of her
you'll never be the same
she'll make you go insane
upside inside out
she's living la Vida loca
she'll push and pull you down
she's living la Vida loca
her lips are devil red
and her skins the color mocha
she will wear you out
she's living la Vida loca
living la vida loca
She'll make you take your clothes off
and go dancing in the rain
she'll make you live the crazy life
or she'll take away your pain
like a bullet to your brain
upside inside out
she's living la Vida loca
she'll push and pull you down
she's living la Vida loca
her lips are devil red
and her skins the color mocha
she will wear you out
she's living la Vida loca
living la vida loca

Rio Reiser: König von Deutschland

Jede Nacht um halb eins, wenn das Fernsehen rauscht
Leg ich mich auf's Bett, und mal mir aus
Wie es wäre, wenn ich nicht der wäre, der ich bin
Sondern Kanzler, Kaiser, König oder Königin
Ich denk mir, was der Kohl da kann, das kann ich auch
Ich würd Vivaldi hörn tagein tagaus
Ich käm viel rum, würd nach USA reisen
Ronny mal wie Waldi in die Waden beißen

Das alles und noch viel mehr
Würd ich machen, wenn ich König von Deutschland wär

Ich würd die Krone täglich wechseln, würde zweimal baden
Würd die Lottozahlen eine Woche vorhersagen
Bei der Bundeswehr gäb es nur noch Hitparaden
Ich würd jeden Tag im Jahr Geburtstag haben
Im Fernsehen gäb es nur noch ein Programm:
Robert Lembke, vierundzwanzig Stunden lang
Ich hätte zweihundert Schlösser, und wär nie mehr Pleite
Ich wär Rio der Erste, Sissi die Zweite

Das alles und noch viel mehr
Würd ich machen, wenn ich König von Deutschland wär

Die Socken und die Autos dürften nicht mehr stinken
Ich würd jeden Morgen erstmal ein Glas Champus trinken
Ich wär chicker als der Schmidt und dicker als der Strauß
Und meine Platten kämen ganz groß raus
Reinhard Mey wäre des Königs Barde
Paola und Kurt Felix wären Schweizer Garde
Vorher würd ich gerne wissen, ob sie Spaß verstehen
Sie müßten achtundvierzig Stunden ihre Show ansehen

Das alles und noch viel mehr
Würd ich machen, wenn ich König von Deutschland wär

Roy Orbison: Oh Pretty Woman

Pretty woman, walking down the street
Pretty woman, the kind I like to meet
Pretty woman, I don't believe you
You're not the truth
No one could look as good as you
Mercy

Pretty woman, won't you pardon me
Pretty woman, I couldn't help but see
That you look lovely as can be
Are you lonely just like me?

Pretty woman, stop a while
Pretty woman, talk a while
Pretty woman, give your smile to me
Pretty Woman, Yeah yeah yeah
Pretty woman, look my way
Pretty woman, say you'll stay with me
'Cause I need you, I'll treat you right
Come with me baby
Be mine tonight

Pretty woman, don't walk on by
Pretty woman, don't make me cry
Pretty woman, don't walk away hey

Okay, if that's the way it must be, okay
I guess I'll go on home, it's late
There'll be tomorrow night, but wait!
What do I see?
Is she walking back to me?
Yeah, she's walking back to me!
Oh, pretty woman

Sophie Ellis Bextor: Murder On The Dancefloor

(Murder)

It's murder on the dancefloor
But you better not kill the groove
Dj, gonna burn this goddamn house right down

Oh, I know I know I know I know I know I know
About your kind
And so and so and so and so and so and so
I'll have to play

If you think you're getting away
I will prove you wrong
I'll take you all the way
Boy, just come along
Hear me when I say
Hey

It's murder on the dancefloor
But you better not kill the groove
Hey, hey
It's murder on the dancefloor
But you better not steal the moves
Dj, gonna burn this goddamn house right down

Oh I know I know I know I know I know I know
There may be others
And so and so and so and so and so and so
You'll just have to pray

If you think you're getting away
I will prove you wrong
I'll take you all the way
Stay another song
I'll blow you all away
Hey

It's murder on the dancefloor

But you better not kill the groove
Hey, hey
It's murder on the dancefloor
But you better not steal the moves
DJ, gonna turn this house around somehow
Murder on the dancefloor
But you better not kill the groove
Hey, hey
It's murder on the dancefloor
But you better not steal the moves
Dj, gonna burn this goddamn house right down

Don't think you'll get away
I will prove you wrong
I'll take you all away
Boy just come along
Here me when I say
Hey

It's murder on the dancefloor
But you better not kill the groove
It's murder on the dancefloor
But you better not steal the moves
DJ, gonna burn this goddamn house right down

It's murder on the dancefloor
But you better not kill the groove
Hey, hey
It's murder on the dancefloor
But you better not steal the moves
DJ, gonna burn this goddamn house right down

It's murder on the dancefloor
(On the dancefloor)
But you better not kill the groove
Hey, hey
It's murder on the dancefloor
(On the dancefloor)

But you better not steal the moves

DJ, gonna burn this goddamn house right down

I know, I know, I know, I know, I know...

Sonny & Cher: I got you babe

They say we're young and we don't know,
won't find out until we grow.
Well, I don't know if all that's true,
'cause you got me, and baby, I got you.
Babe, I got you babe, I got you babe.
They say our love won't pay the rent,
before it's earned, our money's all been spent.
I guess that's so, we don't have a pot,
but at least I'm sure of all the things we got.
Babe, I got you babe, I got you babe.
I got flowers in the spring,
I got you to wear my ring.
And when I'm sad, you're a clown,
and if I get scared, you're always around.
So let them say your hair's too long,
'cause I don't care, with you I can't go wrong.
Then put your little hand in mine
there ain't no hill or mountain we can't climb.
Babe, I got you babe, I got you babe.
I got you to hold my hand,
I got you to understand.
I got you to walk with me,
I got you to talk with me.
I got you to kiss goodnight,
I got you to hold me tight.
I got you, I won't let go,
I got you to love me so.
I got you babe, I got you babe ...

Spandau Ballet: Gold

Thank you for coming home
I'm sorry that the chairs are all worn
I left them here I could have sworn
These are my salad days
Slowly being eaten away
Just another play for today
Oh but I'm proud of you but I'm proud of you
There's nothing left to make me feel small
Luck has left me standing so tall

Chorus:

Gold
Always believe in your soul
You've got the power to know
You're indestructible
Always believe in

Cause you are gold
Glad that you're bound to return
There's something I could have learned
You're indestructible
Always believe in

After the rush has gone
I hope you find a little more time
Remember we were partners in crime
It's only two years ago
The man with the suit and the pace
You know that he was there on the case
Now he's in love with you he's in love with you
And my love is like a high prison wall
But you could leave me standing so tall

Chorus

And my love is like a high prison wall
But you could leave me standing so tall

Spice Girls: Who do you think you are

The race is on to get out of the bottom,
The top is high so your roots are forgotten,
Giving is good as long as you're getting,
What's driving you it's ambition and betting,
I said who do you think you are?
(I said who)
Some kind of superstar,
You have got to swing it, shake it, move it, make it,
Who do you think you are?
Trust it, use it, prove it, groove it,
Show me how good you are,
Swing it, shake it, move it, make it,
Who do you think you are?
Trust it, use it, prove it, groove it,
Show how good you are.

You're swelling out in the wrong direction,
You've got the bug, superstar you've been bitten,
Your trumpet's blowing for far too long,
Playing the snake of the ladder, but you're wrong

I said who do you think you are?
(I said who)
Some kind of superstar,
You have got to swing it, shake it, move it, make it,
Who do you think you are?
Trust it, use it, prove it, groove it,
Show me how good you are,
Swing it, shake it, move it, make it,
Who do you think you are?
Trust it, use it, prove it, groove it,
Show how good you are.

You have got to reach on up, never lose your soul,
You have got to reach on up, never lose control.

I said who do you think you are?

(I said who)

Some kind of superstar,

You have got to swing it, shake it, move it, make it,

Who do you think you are?

Trust it, use it, prove it, groove it,

Show me how good you are,

Swing it, shake it, move it, make it,

Who do you think you are?

Trust it, use it, prove it, groove it,

Show me how good you are.

Swing it, shake it, move it, make it,

Trust it, use it, prove it, groove it.

Swing it, shake it, move it, make it,

Trust it, use it, prove it, groove it.

Swing it, shake it, move it, make it,

Trust it, use it, prove it, groove it.

Swing it, shake it, move it, make it,

Trust it, use it, prove it, groove it.

Spider Murphy Gang: Skandal im Sperrbezirk

In München steht ein Hofbräuhaus,
doch Freudenhäuser müssen raus,
damit in dieser schönen Stadt das Lastern keine Chance hat
und jeder ist gut informiert, weil Rosi täglich inszeniert und wenn dich deine Frau nicht gibt
wie gut dass es die Rosi gibt

Refrain:

Und draußen vor der großen Stadt, stehn die Nutten sich die Füße platt,
Skandal im Speerbezirk,
Skandal Skandal im Speerbezirk,
Skandahhhhhhhhhhhhhhal Sakandal um Rosi.

Ja Rosi hat ein Telefon auch ich hab ihre nummer schon unter 32 16 8 herrscht Konjunktur
die ganze Nacht,
und draußen vorm Hotel d´amour langweilen sich die Damen nur weil jeder den die
Sehnsucht quält ganz einfach rosi´s nummer wählt

Und draußen vor der großen Stadt, stehn die Nutten sich die Füße platt,
Skandal im Speerbezirk,
Skandal Skandal im Speerbezirk,
Skandahhhhhhhhhhhhhhal Sakandal um Rosi.

Ja Rosi hat ein telefon auch ich hab ihre nummer schon unter 32168 herrscht Konjunktur die
ganze Nacht,
und draußen vorm Hotel d´amour langweilen sich die Damen nur weil jeder den die
Sehnsucht quält ganz einfach rosi´s nummer wählt

Und draußen vor der großen Stadt, stehn die Nutten sich die Füße platt,
Skandal im Speerbezirk,
Skandal Skandal im Speerbezirk,
Skandahhhhhhhhhhhhhhal Skandal um Rosi.

Sugababes: Round Round

[Chorus]

Round, round baby round, round
Spend the night on me
I don't need no man
Got my kicks for free
I realise the vibe gonna be down low
I don't need nobody but my honeys
When I go

Round, baby round, round
Spend the night on me
I don't need no man
Got My Kicks for free
(Free free free free)

When your still in my face
You're messing with my brain
If you're trying to confince me
Than you better think again
If you move to the music
The music's got to give
If i's too complicated
That's the way I way I wanna live

If you hate me
I will show you
How to brain me
Into something new
If you want me
Run away now
If you stop me than I'll hit the ground
(Can we go, can we go)

[Chorus]

Explainations no you don't need one
Having a good time
Getting down to the fun

And it's your time cause tonight he'll be mine
And he's gone
Yeah
People moving, bodies grooving never ending
Places are trouving
(Don't you worry 'bout a thing all you need is
off your sting)
All my girls are here with me
Worry not they've got their needs
(Do you feel me, do you feel me, do you feel
me, do you feel me)
Woo

[Chorus X2]

Does it hurt
When you see
How I've done
Without you
Thought that I
Could belong
Never thought that
You could be
So cruel
All you need is some friends
(Won't be by yourself)
Let's go round and round and round and round
and r o u n d

[Chorus X2]

Round, baby when I go
When I go
(When I go)
When I go
(When I go)
When I go

The Darkness: I Believe In A Thing Called Love

Can't explain all the feelings that you're making me feel
My heart's in overdrive and you're behind the steering wheel

Touching you, touching me
Touching you, God you're touching me

I believe in a thing called love
Just listen to the rhythm of my hart
There's a chance we could make it now
We'll be rocking 'til the sun goes down
I believe in a thing called love
Ooh!

I wanna kiss you every minute, every hour, every day
You got me in a spin but everything is A.OK!

Touching you, touching me
Touching you, God you're touching me

I believe in a thing called love
Just listen to the rhythm of my hart
There's a chance we could make it now
We'll be rocking 'til the sun goes down
I believe in a thing called love
Ooh! Guitar!

Touching you, touching me
Touching you, God you're touching me

I believe in a thing called love
Just listen to the rhythm of my hart
There's a chance we could make it now
We'll be rocking 'til the sun goes down
I believe in a thing called love
Ooh!

The Foundations: Build me up buttercup

Why do you build me up (build me up) Buttercup, baby
Just to let me down (let me down) and mess me around
And then worst of all (worst of all) you never call, baby
When you say you will (say you will) but I love you still
I need you (I need you) more than anyone, darlin'
You know that I have from the start
So build me up (build me up) Buttercup, don't break my heart

"I'll be over at ten", you told me time and again
But you're late, I wait around and then (bah dah dah)
I run to the door, I can't take any more
It's not you, you let me down again

(Hey, hey, hey!) Baby, baby, try to find
(Hey, hey, hey!) A little time, and I'll make you happy
(Hey, hey, hey!) I'll be home
I'll be beside the phone waiting for you
Ooo-oo-ooo, ooo-oo-ooo

Why do you build me up (build me up) Buttercup, baby
Just to let me down (let me down) and mess me around
And then worst of all (worst of all) you never call, baby
When you say you will (say you will) but I love you still
I need you (I need you) more than anyone, darlin'
You know that I have from the start
So build me up (build me up) Buttercup, don't break my heart

You were my toy but I could be the boy you adore
If you'd just let me know (bah dah dah)
Although you're untrue, I'm attracted to you all the more
Why do I need you so

(Hey, hey, hey!) Baby, baby, try to find
(Hey, hey, hey!) A little time and I'll make you happy
(Hey, hey, hey!) I'll be home
I'll be beside the phone waiting for you
Ooo-oo-ooo, ooo-oo-ooo

Why do you build me up (build me up) Buttercup, baby
Just to let me down (let me down) and mess me around
And then worst of all (worst of all) you never call, baby
When you say you will (say you will) but I love you still
I need you (I need you) more than anyone, darlin'
You know that I have from the start
So build me up (build me up) Buttercup, don't break my heart

I-I-I need you-oo-oo more than anyone, baby
You know that I have from the start
So build me up (build me up) Buttercup, don't break my heart

The Police: Every breath you take

Every breath you take
Every move you make
Every bond you break
Every step you take
I'll be watching you

Every single day
Every word you say
Every night you stay
Every game you play
I'll be watching you

Oh can't you see
You belong to me
How my poor heart aches with every step you take

Every move you make
Every vow you break
Every smile you fake
Every claim you stake
I'll be watching you

Since you've gone I've been lost without a trace
I dream at night I can only see your face
I look around but it's you I can't replace
I feel so cold and I long for you and breathe
I keep crying baby, baby please

Every move you make
Every vow you break
Every smile you fake
Every claim you stake
I'll be watching you

Village People: YMCA

Young man, there's no need to feel down.
I said, young man, pick yourself off the ground.
I said, young man, 'cause you're in a new town
there's no need to be unhappy.

Young man, there's a place you can go.
I said, young man, when you're short on your dough.
You can stay there, and i'm sure you will find
many ways to have a good time.

It's fun to stay at the Y-M-C-A.
It's fun to stay at the Y-M-C-A.

They have everything for you men to enjoy,
You can hang out with all the boys ...

It's fun to stay at the Y-M-C-A.
It's fun to stay at the Y-M-C-A.

You can get yourself cleaned, you can have a good meal,
You can do whatever you feel ...

Young man, are you listening to me?
I said, young man, what do you want to be?
I said, young man, you can make real your dreams.
But you got to know this one thing!

No man does it all by himself.
I said, young man, put your pride on the shelf,
And just go there, to the Y.M.C.A.
I'm sure they can help you today.

It's fun to stay at the Y-M-C-A.
It's fun to stay at the Y-M-C-A.

They have everything for you men to enjoy,
You can hang out with all the boys ...

It's fun to stay at the Y-M-C-A.

It's fun to stay at the Y-M-C-A.

You can get yourself cleaned, you can have a good meal,

You can do whatever you feel ...

Young man, i was once in your shoes.

I said, i was down and out with the blues.

I felt no man cared if i were alive.

I felt the whole world was so tight ...

That's when someone came up to me,

And said, young man, take a walk up the street.

There's a place there called the Y.M.C.A.

They can start you back on your way.

It's fun to stay at the Y-M-C-A.

It's fun to stay at the Y-M-C-A.

They have everything for you men to enjoy,

You can hang out with all the boys ...

Y-M-C-A ... You'll find it at the Y-M-C-A.

Young man, young man, there's no need to feel down.

Young man, young man, get yourself off the ground.

Y-M-C-A ... You'll find it at the Y-M-C-A.

Young man, young man, there's no need to feel down.

Young man, young man, get yourself off the ground.

Y-M-C-A ... Just go to the Y-M-C-A.

Young man, young man, are you listening to me?

Young man, young man, what do you wanna be?

Westlife: World Of Our Own

You make me feel funny
When you come around
Yeah that's what I found out honey
What am I doing without you
You make me feel happy
When I leave you behind
It plays on my mind now honey
What am I doing without you
Took for granted everything we had
As if I'd find someone
Who's just like you

We got a little world of our own
I'll tell you things that no-one else knows
I let you in where no-one else goes
What am I doing without you
And all of the things I've been looking for
Have always been here outside of my door
And all of the time I'm looking for something new
What am I doing without you

Well I guess I'm ready
For setting down
And fooling around is over
And I swear that it's true
No buts or maybe's
When I'm falling down
There's always someone who saves me
And girl it's you
Funny how life can be so surprising
I'm just realising what you do

We got a little world of our own
I'll tell you things that no-one else knows
I let you in where no-one else goes
What am I doing without you
And all of the things I've been looking for

Have always been here outside of my door
And all of the time I'm looking for something new
What am I doing without you

Well it's feeling right now
So let's do it right now
Praying that some how
You will understand the way
It's feeling right now baby somehow
I won't let this slip away

We got a little world of our own
I'll tell you things that no-one else knows
I let you in where no-one else goes
What am I doing without you
And all of the things I've been looking for
Have always been here outside of my door
And all of the time I'm looking for something new
What am I doing without you
